SPONSOR REGISTRATION

A Note from our President:

The GA GMIS Board is pleased to announce the Spring 2021 GA GMIS Conference will be held virtually on May 3 – 6, 2021

The theme for our conference, “Learning Interactively Outside the Norm”, in recognition of the perpetual changes in our world today. One of our goals is for you to participate with our members through a virtual exhibit hall. This will take place over two days, May 4-5. One of the exciting events we are bringing back is the Good, Bad and Ugly session on Wednesday, May 5 and you are invited to attend.

As always, our sponsors have been a very important part of our conferences. We depend on the knowledge and support of our sponsors for whom we would not be as successful as we are.

The GA GMIS Board will continue to work with the Carl Vinson Institute of Government to provide you more detailed information in the weeks ahead. Please be on the lookout for email announcements and monitor the website for updated information.

Sincerely,

Larry J. Hobbs Jr., CGCIO, LGCIO

IMPORTANT INFORMATION

Hello everyone! Registration is open for the GA GMIS Spring 2021 Virtual Conference. We are disappointed that our Spring conference is virtual again but feel it is still necessary. One exciting event that will be returning is the Good, Bad and Ugly session and you are invited! We will also have the virtual exhibit hall where you will be assigned a link and you can set up your wares for our participants (same as the fall).

As an incentive for registering for the spring conference, we will offer you the chance to have a primary booth for the upcoming fall conference, but you must be one of the first 7 participants to register and get your payment in by Friday, April 2. The sooner the better!

The GA GMIS Board will be working the University of Georgia and the Carl Vinson Institute of Government to provide you with the links for your virtual exhibit hall sessions and other conference information.

I need to know who will be attending with full contact information from your company by **Friday, April 2** so we can properly prepare the links and other information for you.

Please let me know if you have any questions regarding the conference and monitor the website for updated information. I look forward to “seeing” you in May.

Karen Knight, CGCIO|LGCIO
Director of Corporate Sponsorship
