Georgia GMIS Fall 2022 Conference

October 16-20, 2022
Hyatt Regency Savannah

Dear Georgia GMIS Members,

The Georgia GMIS Board of Directors invites you to attend the 2022 Fall Conference. The theme is “Back to Work, Back to Reality”. We are elated our spring conference was a success and carry that same excitement and energy to Savannah! Sunday’s events start with the CGCIO program and Geek Trak. Regular LGCIO sessions will begin on Monday and continue throughout the week. Monday’s session will be Creative Problem Solving. Dean Gunsolus will serve us in a dual capacity of Geek Trak and teaching a portion of Tuesday’s technical track. The Geek Trak topic will be Microsoft Azure and related applications.

The event is Sunday, October 16 – Thursday, October 20, 2022. It will be held at the Hyatt Regency in Savannah, Georgia. We have planned a fun Tuesday night that will include dinner and entertainment onboard a Savannah Riverboat Cruise! We will have “casino games” along with good food, music, sightseeing, and networking with your peers and vendors.

I look forward to seeing you in Savannah in October!

Michael Hicks, CGCIO™-LGCIO
Chapter President Georgia GMIS

Each day of the conference will provide insight into aspects of the latest trends in information technology, brought to you by experts in the field. Most importantly, you will exchange knowledge and ideas about what works and what doesn't work with your IT peers who represent shops of all sizes from nearly every region of the state.
